Our morning drive takes us to Wattens to visit Swarovski 'Kristallwelten' (Crystal Worlds)... a weird and wonderful crystal experience, before continuing to the winter resort of Innsbruck, in the spectacular Inn Valley. After checking into our centrally located hotel you will have plenty of time to explore the Old Town, which is on your doorstep. Bolzano, 'Otzi the Ice Man' and CastelBrando

Day 3

Hotel CastelBrando, Cison di Valmarino

B,D

Today we cross into Italy via the Brenner Pass and visit Bolzano, capital of Alto Adige region. Intricately carved gables, painted timber façades and an elegant arcaded main street illustrate the influence of both Tyrolean and Italian cultures. We have included a visit to the Museum of Archaeology where you can see the mummified remains of Ötzi – the famous Ice Man – along with a fascinating exhibition documenting the Ancient History of Italy's South Tyrol. At Trento we cut across the scenic Valsugana and reach the foothills of the Dolomites and our superb CastelBrando. Located above the village of Cison di Valmarino this 2,000 year old Roman fortress was turned into a sumptuous Noble's palace in the 13th century. On arrival we have included a guided tour of the castle – there is a lot to see – and this will be your home for the next three evocative nights.

Venice sightseeing, 'My Time' and a Gala New Year's Eve dinner

New Year's Eve! Today we visit nearby Venice – arguably one of the most romantic cities in the world. At Tronchetto we board a boat to take us to St Mark's Square where we join our expert local guide for a walking tour and to visit the pink and white marble Doges Palace. The rest of the day is at leisure to shop and explore the myriad of narrow, water lined streets and canals spanned by humped back bridges. Tonight we enjoy a Gala New Year's Eve Dinner in 'our' castle. Sit back and enjoy fine Italian dining, numerous courses with Venetian fish specialities, and selected regional wines. This will be a night to remember!

Tour Suitability

- Our Christmas, New Year and Northern Lights tours travel throughout the European winter months. The weather can get cold, and roads and pathways can be slippery. When outdoors, please take extra care when navigating slippery surfaces.
- We recommend sturdy waterproof shoes with good grip (hiking shoes, rather than sneakers), thick socks, a woollen beanie, thermal underclothes, gloves and sunglasses. Walking poles can be helpful to give you more confidence, if desired. Layering some light clothes is advisable, as you will often come in from the picturesque cold to warm spaces inside, so layering enables you to adjust to each environment for your optimal comfort. You will also be very comfortable when travelling as your modern touring coach is fitted with heaters and double glazed windows. Once you arrive at your hotel you will be greeted with a warm and comfortable atmosphere.
- Our tours require a moderate level of fitness due to the unique places we visit and stay. This tour is NOT suited to anyone who has mobility issues.

Please refer to our Tour Suitability section for more information.
